## A New Dawn By Jake George

ISBN 1-59507-140-7

### New Challenges...

Led by Talking Coyote's prophetic vision, those who honored nature and all the animals the Great Spirit created have been taken from a dying earth into a new life. Now, they must live very differently—hunt and preserve their food, make tools of stone and hide—in short, adapt to a life without the most basic conveniences.

### New Wonders...

For all the things taken from them, there are miraculous things given. Crying Woman, barren in her old life, now finds herself with child. Elk Caller falls in love with a beautiful woman, only to find she is in truth an elk. Dog men and women and other animals may take off their outer coats and become human.

### An Old Evil...

But this new world holds an invisible danger. *Lowanachen* whispers in the ears of the unwary, seducing them into madness and murder. His evil turns tribe against tribe, brother against brother. And if this evil has its way, no one will survive its bloodlust...

**"The magical, mystical adventure that first began with *Grandfather's Song* continues with sweeping drama, pageantry and compelling emotion in *A New Dawn*. Jake George has done it again! Superb!"**

Author of *The Coach's Wife*
